

# EJP RD: CALLS IN THE ERN INTERNAL TRAINING AND SUPPORT PROGRAM

<https://www.ejprarediseases.org/index.php/training-and-empowerment/ern-trainings/>

## RESEARCH MOBILITY FELLOWSHIP

### MAIN FEATURES

- Financially support young investigators to undertake short scientific visits (secondments) fostering specialist research training outside their countries of residence and within one of the ERN host institutions
- The research mobility fellowships cover stays of 4 weeks up to 3 months
- Applicants' profile:
  - PhD students with a minimum of one year of research experience OR
  - Physicians having finished their first year of specialist training
  - Affiliated to an ERN institution
- 2 calls per year: **Next call for Research mobility fellowships will be open from 1 October until 13 November 2020**
- Contacts:  
[fellowships@erknet.org](mailto:fellowships@erknet.org);  
[genturis@radboudumc.nl](mailto:genturis@radboudumc.nl)

## RESEARCH TRAINING WORKSHOP

### MAIN FEATURES

- Identify the most suitable topics for the organization of research training workshops with a cross-ERN added value
- Training topics may include: innovative research methodologies, diagnostic research topics, interdisciplinary treatment approaches (e.g. gene therapy, transplantation)
- Financing covers the organization of a 2 days workshop (e.g. venue, catering & travel and accommodation of speakers and participants)
- Applicant's profile:
  - Affiliated to an EJP RD beneficiary institution or
  - Affiliated to ERN-Full Member or ERN-Affiliated Partner institution
- 2 calls per year: **Current call is open from 31 August until 12 October 2020**
- Contacts:  
[RareEndoERN@Lumc.nl](mailto:RareEndoERN@Lumc.nl);  
[sanja.hermanns@med.uni-tuebingen.de](mailto:sanja.hermanns@med.uni-tuebingen.de)

The aim of the call is in compliance with the vision and goals set by the **International Rare Diseases Research Consortium (IRDiRC)**, which fosters international collaboration in rare diseases research
