OncoZON for network accreditation?

OECI network accreditation?

The deciding factor

- **Positive experience Maastricht UMC – CCC accreditation 2021**
- **Objective evaluation**
- **Achieve goals/standards more quickly**
- **Shared goal for the network**

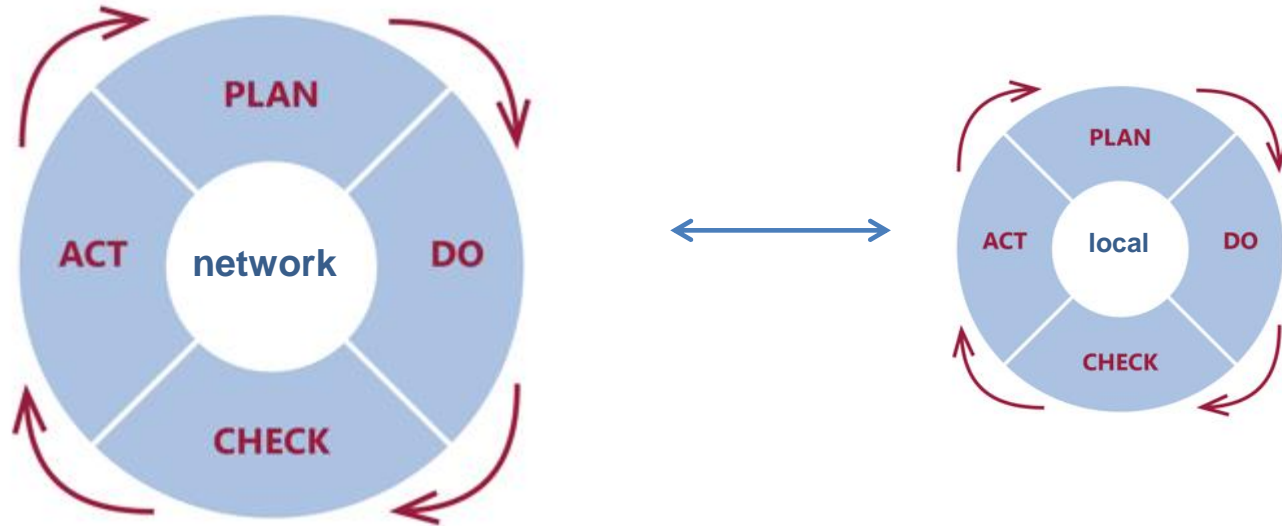

Let's do it!

Timeline

PDCA cycle

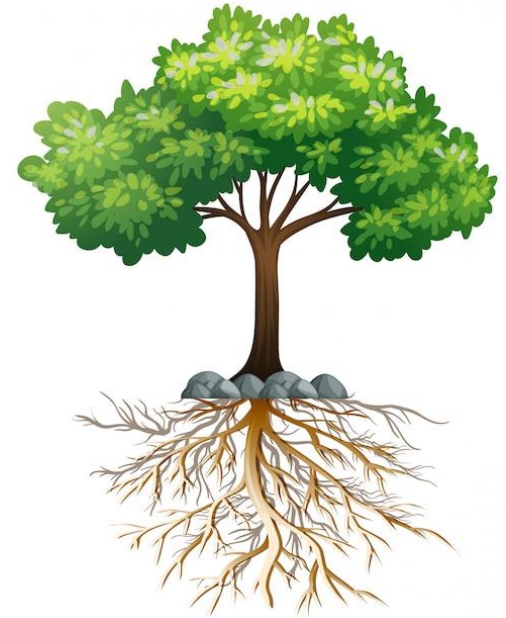

What has been achieved?

- Core team quality + quality advisor for VBHC
- Dedicated research committee
- Cooperation primary care
- Patient advisory board

What else?

- Bonded as a region
- More control
- Improvement plans give directions

OECI accreditation: Ensuring patient-centered excellence through greater cohesion
