

OECI Oncology Days | Warsaw | 17th of June 2026

Onco@home

Laura Tack, MSc, PhD
OECI Coordinator Kortrijk Cancer Centre

CONFLICTS OF INTEREST

I have no conflicts of interest to disclose.

TOPICS

Introduction onco@home

Onco@home: model A, B and C

Impact of care models

Future challenges

INTRODUCTION

- Rising incidence
- Rising prevalence
- Rising frequency of therapy

- Longer waiting times at oncology day hospital
- Impact on patient satisfaction and QOL

ONCO@HOME

INTRODUCTION

- Shift in timing
- Shift in environment

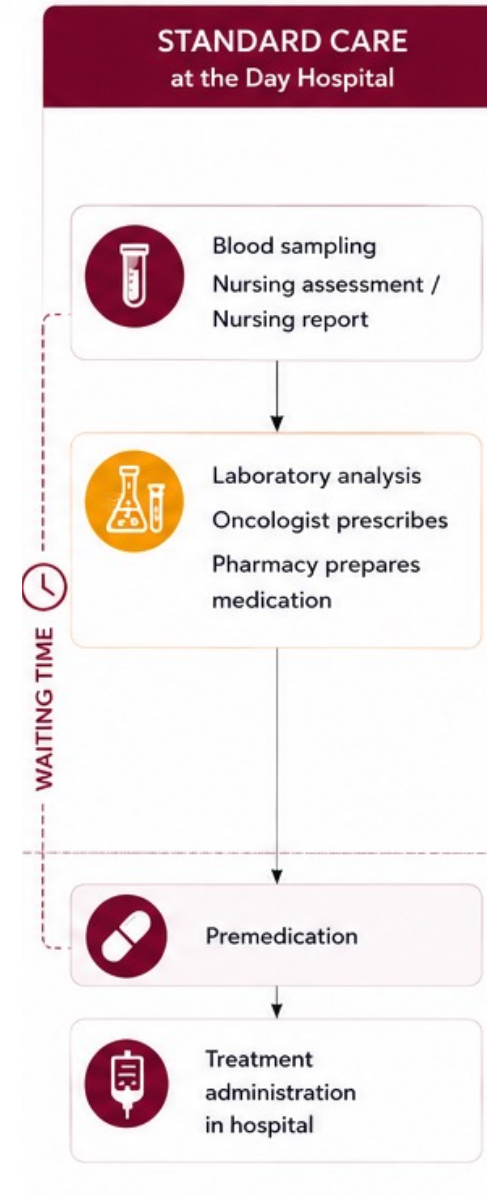

- Reduction number of visits to oncology day hospital
- Reduction time of visit
- Impact on involvement of healthcare professionals and care continuity

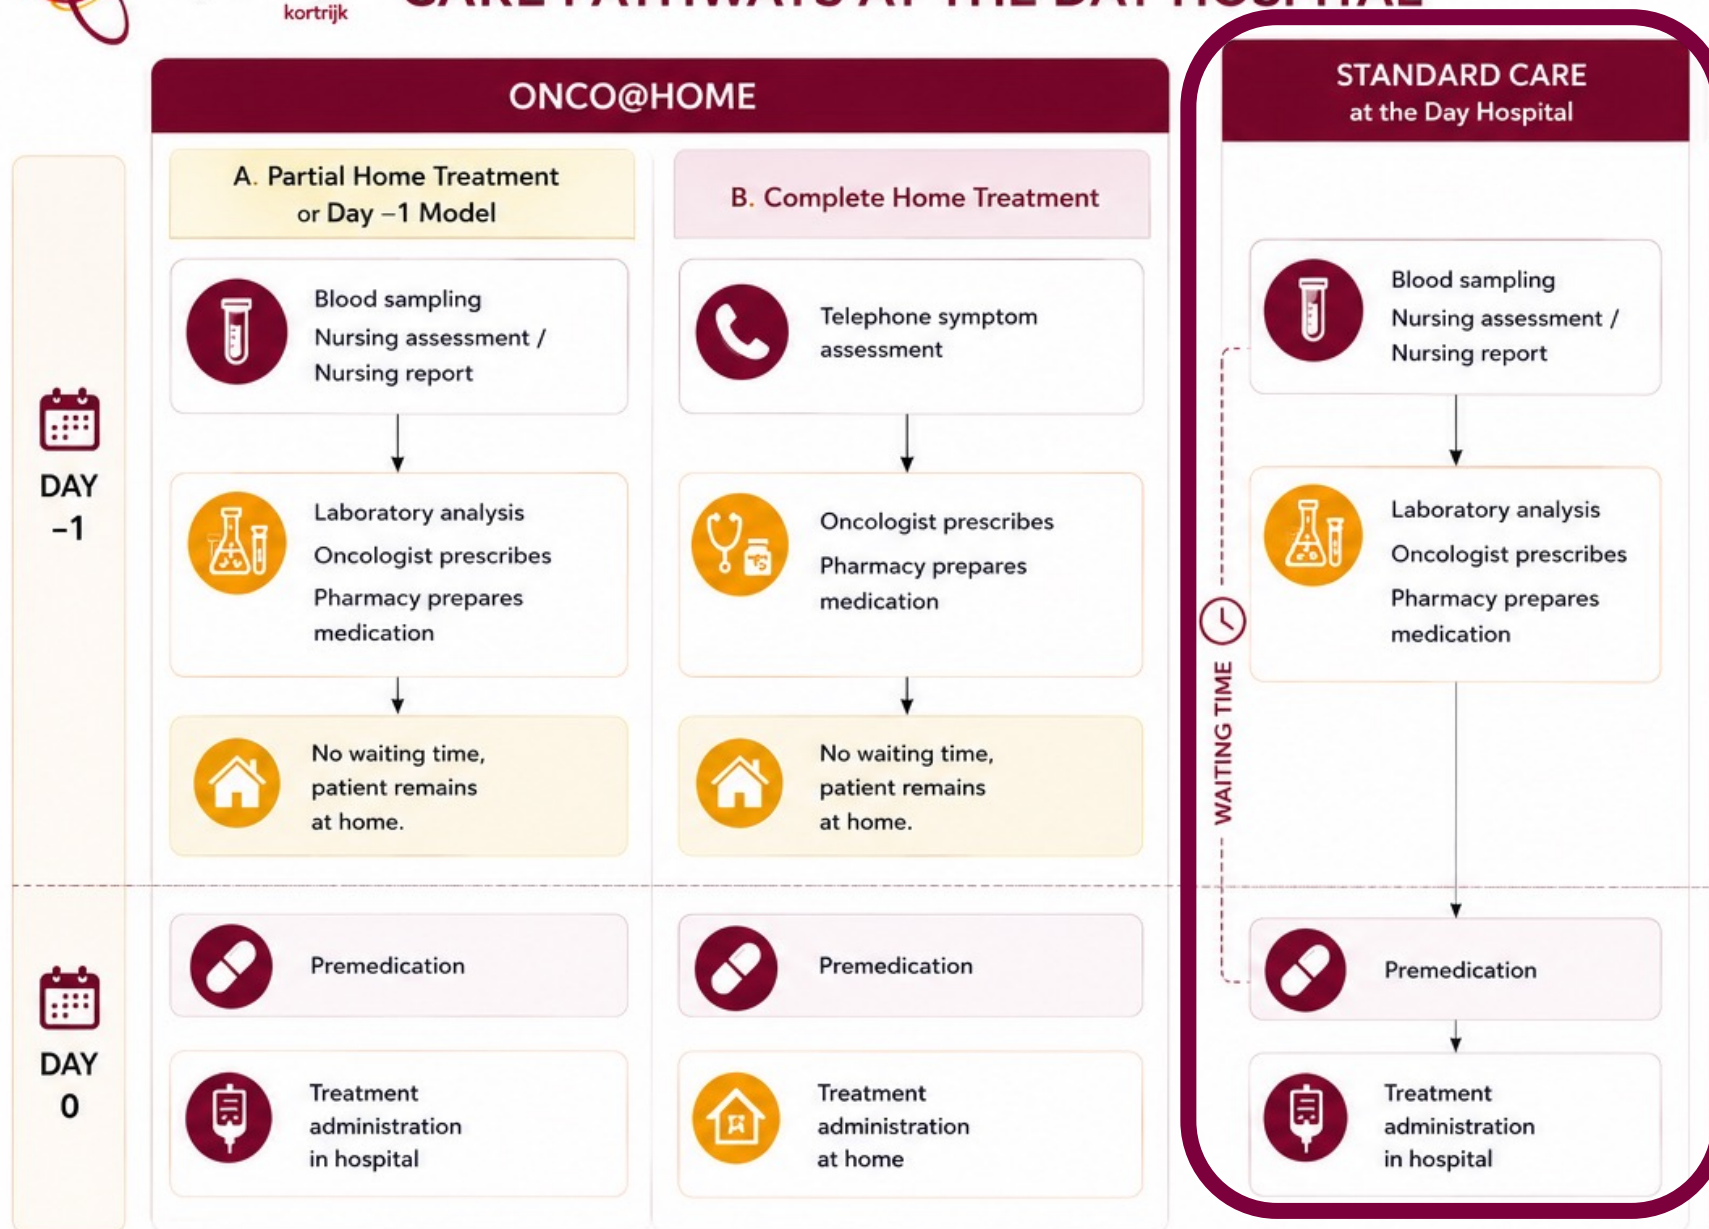

DIFFERENT MODELS

- **Standard circuit**
- **Care model A: partial home treatment**
- **Care model B: complete home treatment**
- **Care model C: nurse-led trajectory**

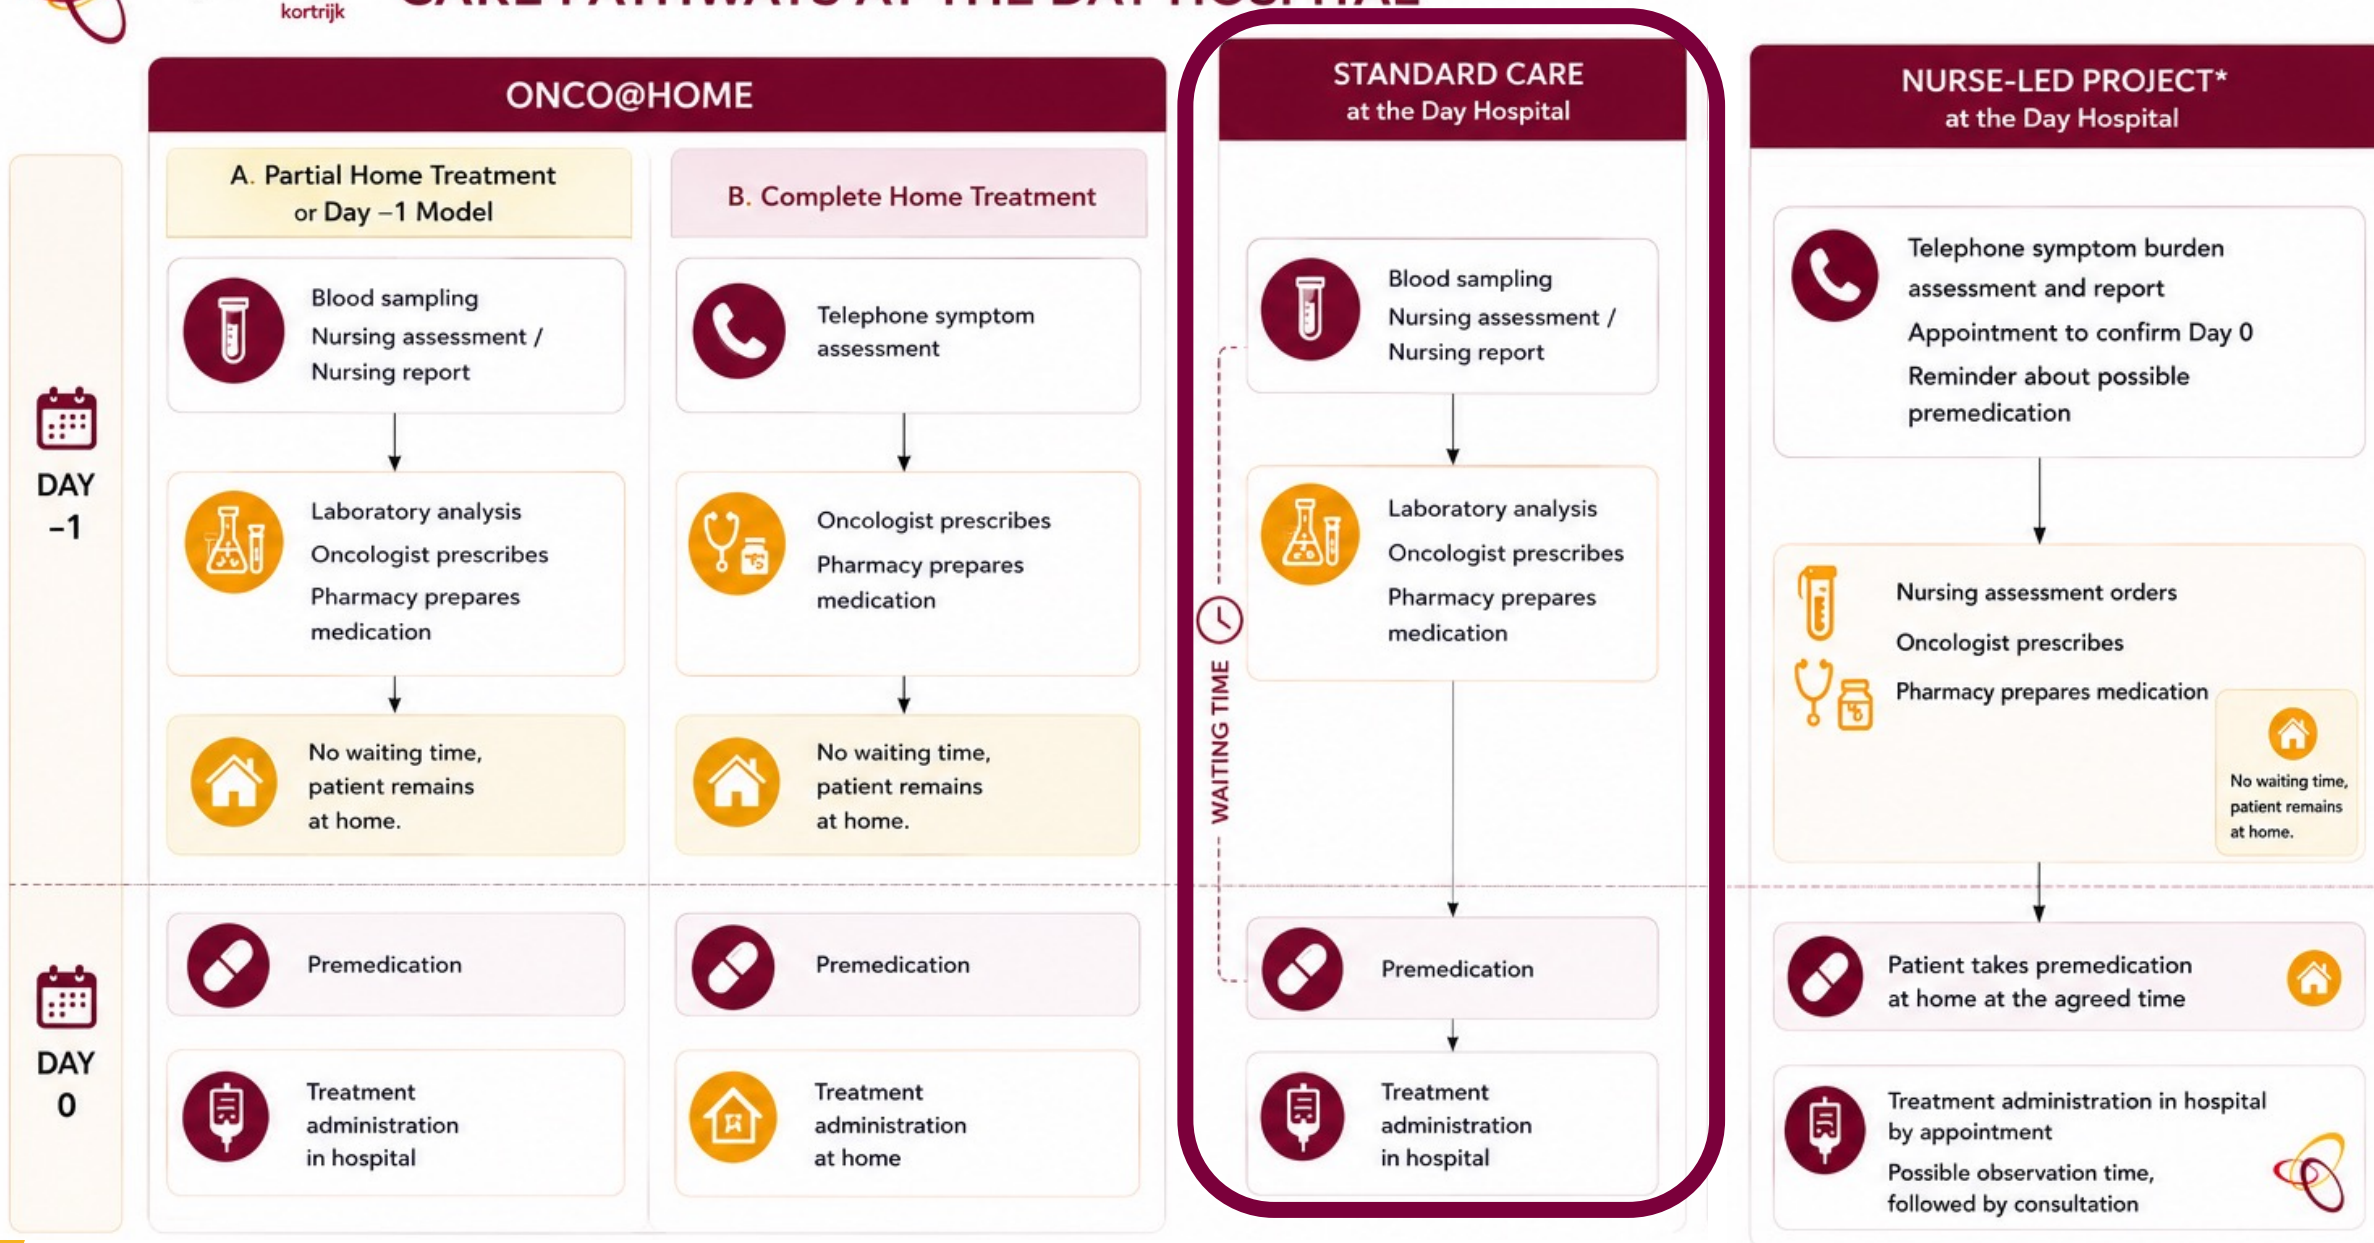

CARE PATHWAYS AT THE DAY HOSPITAL

CARE PATHWAYS AT THE DAY HOSPITAL

IMPACT FOR PATIENTS

In general (previous RCT*)

- **QOL: 77% ↑**
- **Patient satisfaction: 88%**

Model A and C:

- **Reduced waiting time (↓45%*) and earlier discharge**
- **Abnormal assessment or analysis?**
 - **Avoidance of unnecessary hospital visits**
 - **Anticipation of additional investigations**

Model B: no hospital visit required

IMPACT FOR ORGANISATION

- **Care coordination and continuity**
- **Careful patient selection**
- **Training healthcare professionals**
- **Digital infrastructure and monitoring**
- **Policy on financial cooperation**

FUTURE CHALLENGES

- 1. PIC/S and cleanroom regulations:**
 - **Blood draw shift to Day-2**
 - **Therapy validation shift to Day-2**
 - **Inclusion of up to 80% of oncological population**
 - **Limited capacity for urgent matters**

- 2. Model B: shift to external, specialized home care services due to rising amount of sc treatments being reimbursed**
 - **Transmural coordination**
 - **Observation and symptom assessment by home care nurses**
 - **Education: guarantee commitment and quality of care**

- 3. Oncological telemonitoring**

ACKNOWLEDGEMENTS

**MEDICAL TEAM OF ONCOLOGY DAY HOSPITAL
KORTRIJK CANCER CENTRE**

A thick, yellow wavy line runs vertically along the left side of the slide, starting from the top and ending at the bottom, with a white outline.

THANK YOU FOR YOUR ATTENTION
